## Performance & Instrumental Music Program

*There is music in every child.*

NCC's Performance & Instrumental Music Program has a culture of musical excellence, teamwork and support offering a range of highly skilled professional tutors and quality teaching facilities.

At NCC, students from Year 1 to Year 12 have the opportunity to perform with award-winning bands, choirs and ensembles participating in regular overseas tours, eisteddfods and public performances. Contact us today for a tour of our facilities or for further information.

"Since 2016, our family has been participating in Nambour Christian College's Performance and Instrumental Music Program, which has provided our three daughters with an incredible opportunity to explore various instruments, bands, and ensembles. This program was one of the deciding factors in our decision to enrol our children at the school. NCC is fortunate to have a team of dedicated and talented educators who accompany the students on their musical journey. Through music, students are encouraged to express their creativity while also developing resilience and confidence as part of a larger group of musicians. The Eisteddfod is just one example of the many performance opportunities available to students."

## Music

Sunshine Beach SHS is a School of Excellence in Music. We have a very busy and successful Music Department, consisting of the Classroom Music Program and the Performance Music Program which complement each other and are integrated as much as possible. In addition to the Education Queensland funded brass, woodwind, percussion and strings lessons, the school funds guitar and vocal lessons. The school has a range of ensembles including Wind Symphony, Big Band, Swing Band, Concert Strings percussion ensembles and choir. Ensembles perform at both school and community events as well as a bi-annual music tour.

We offer the opportunity to be part of an extension music program. These classes are designed to encourage the pursuit of excellence in music. Applications for the 2025 Music Excellence program are now open. Students accepted into the Music Excellence program may reside outside the school's catchment area.
