Performance & Instrumental Music Program

There is music in every child.

NCC's Performance & Instrumental Music Program has a culture of musical excellence, teamwork and support offering a range of highly skilled professional tutors and quality teaching facilities.

At NCC, students from Year 1 to Year 12 have the opportunity to perform with award-winning bands, choirs and ensembles participating in regular overseas tours, eisteddfods and public performances. Contact us today for a tour of our facilities or for further information.

"Since 2016, our family has been participating in Nambour Christian College's Performance and Instrumental Music Program, which has provided our three daughters with an incredible opportunity to explore various instruments, bands, and ensembles. This program was one of the deciding factors in our decision to enrol our children at the school. NCC is fortunate to have a team of dedicated and talented educators who accompany the students on their musical journey. Through music, students are encouraged to express their creativity while also developing resilience and confidence as part of a larger group of musicians. The Eisteddfod is just one example of the many performance opportunities available to students."
